Charlotte Lacroix, DVM, JD  
NAVC President

The American Association of Veterinary State Boards Registry of Approved Continuing Education (RACE) has approved as meeting the Standards adopted by the AAVSB. Course meets the requirements for 41.5 hours of continuing education credit in jurisdictions that recognize AAVSB's RACE approval; however, participants should be aware that some boards have limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of delivery of continuing education. RACE approval pending.
